## **CWorks Systems Announces CWorks International Conference on Facility Management (CiFMC) to be held in Kuala Lumpur, June 2-3, 2009**

**Kuala Lumpur, Malaysia (May 08, 2009)** – Facilitating an exchange of ideas regarding best practices in facility management, CWorks Systems (Mesdaq:0079), an MSC Malaysia Status Company and a global leader of maintenance management solutions, is hosting an international conference called “A Facility Management Experience Exchange” in the cosmopolitan city of Kuala Lumpur, Malaysia on June 2-3, 2009. The Conference, to be held in the Putra World Trade Center in KL, will feature two full days of content-rich sessions, inspiring speakers, and networking amongst colleagues from around the world.

This facilities management centric event will feature a distinguished roster of thought leaders and FM experts from major consulting firms, media, and technology-driven corporations. The keynote speakers include:

- Teena G. Shouse, CFM, Senior FM Consultant, of FEA, P.C., Director, Global FM. Bringing nearly 20 years of professional experience, Ms. Shouse has a wide range of facility management operational knowledge, experience in quality development and program/process standardization coupled with a true passion for the facility management field. Her achievements have been recognized with numerous awards. Ms. Shouse recently served as the Chair for the International Facility Management Association (IFMA) from 2005 to 2007.
- Stan Mitchell, Chairman and President of Key Facilities Management International Ltd (KFMI), and founding member of Global FM. Mr. Mitchell is Past Chairman of the British Institute of Facilities Management and Convenor of WG2 within the CEN348 Technical Committee which established the first European Standards for Facilities Management agreements. He is currently Chairman of the British Standards Institute Facilities Management Committee and Founding Chairman of Global Facility Management Association. Mr. Mitchell was recently recognized by the publication *FM World* as one of the top 20 Pioneers of Facilities Management in the UK.
- David Berger, P. Eng., Mr. Berger is one of North America's top CMMS experts. A Contributing Editor of *Plant Services*, Mr. Berger has written extensively about CMMS and EAM. His knowledge of this industry makes him a highly sought-after speaker, author and seminar leader. A professional engineer by trade, Mr. Berger is a director/partner of Western Management Consultants in Toronto. He also holds an MBA degree and is an adjunct professor at York University in Toronto, where he teaches a graduate-level operations management course.

Other highlights include talks by George Selestine, Director of FM Asia Pacific, Sodexo China ; Micheal Doolan, Regional Manager of Johnson Controls, Inc Hong Kong; Jagath L. Gunawardena, Chief Engineer of Dubai Chamber of Commerce & Industry UAE ; and Dave Griffiths, Senior Management Consultant of CWorks Systems Inc. USA, among the many other esteemed speakers scheduled for the summit.
